

Opportunities for Ministry at St Francis of Assisi, Waterkloof

At St Francis we encourage all of our members to participate actively in ministry – as part of the body of Christ. But one of the joys of belonging to this body is that nobody is forced to do more than he or she feels called to do. People offer themselves freely to God in response to his free gift of love, and enjoy being involved in service and ministry.

Here is a list of ways in which people share in the formal ministry and mission of St Francis Church, and the names of those who lead or co-ordinate and exercise authority in the different areas. If you feel called to an area of ministry, or there is an area not mentioned below, please discuss this with Fr Timothy or one of the other clergy.
